

REMARKS

Claims 1-3 remain.

Neither the present application nor the original Patent No. 5,893,792 have been assigned, so an assent of an assignee is not necessary in this case.

Claim 1 has been amended to correct the lack of antecedent of the terms therein mentioned by the Examiner.

Accordingly, the present application is urged to be in condition for allowance, and such action is respectfully requested.

Respectfully submitted,

Date: March 25, 2005
